

Youngstown State University invites you to an Informational Meeting about its Aspiring Leaders Program

The Masters in Administration + Principal Licensure Courses

An Accelerated, Hybrid-Delivered, Cohort-Based Program

Offered in collaboration with the Trumbull County Educational Service Center to educators in Trumbull and Ashtabula County School settings who aspire to building leadership positions

Meeting Date & Location

March 6th / 4:00 to 5:30
Trumbull County Ed Service Center
6000 Youngstown-Warren Road
Niles, Ohio 44446

Learn more about YSU's Aspiring Principals Program that ~

- Focuses heavily on “what principals do” and necessary knowledge, skills and values
- Can be completed in two years, with the possibility of a one-year alternative principal's license recommendation by the ESC pending completion of the program
- Combines online instructional modules with face-to-face meetings to ensure convenience, quality and opportunities for networking
- Meets in convenient, off-campus location suitable for adult learning on days and at times arrived at in consultation with the cohort
- Acquaints candidates with current and emergent problems and best practice solutions including state policies, programs and tools for administrators
- Embeds clinical practice assignments & mentoring by veteran principals throughout program
- Engages experienced principals, superintendents and regular university faculty in the delivery of courses and other learning experiences
- Offers instruction on resume, electronic portfolio and personal website development, as well as opportunity to participate or observe mock interviews
- Is tuition-friendly and makes cohort eligible for substantial pool of Scholarship support
- Aligned with state and national principal standards & “Nationally Recognized for Excellence in Administrator Preparation” by the Educational Leadership Constituent Council

Hear from YSU graduates

why they decided to assume leadership roles, their advice to aspiring leaders, and what they found important in their preparation programs.
