

Handout 3.1. Sample Growth Targets

Target 1	Target 2
<p>During the fall semester, all of my students will progress at least one zone on the FitnessGram.</p>	<p>Students will increase their scores by half the difference between 100 and their pre-assessment score.</p> <p>For example, a student with a pre-assessment of 50 would be expected to increase his or her score by 25 points on the post-assessment.</p> <p>$100 - 50 = 50 / 2 = 25$</p>

Target 3	Target 4																				
<p>Taking into account student's entry level of skill, all students will meet their target score on the final assessment:</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse;"> <thead> <tr style="background-color: #1a3d54; color: white;"> <th style="padding: 5px;">Pre-assessment Baseline Score Range</th> <th style="padding: 5px;">Target Score on End-of-Year Portfolio</th> </tr> </thead> <tbody> <tr> <td style="text-align: center; padding: 5px;">41-60</td> <td style="text-align: center; padding: 5px;">70</td> </tr> <tr> <td style="text-align: center; padding: 5px;">61-80</td> <td style="text-align: center; padding: 5px;">85</td> </tr> <tr> <td style="text-align: center; padding: 5px;">81-90</td> <td style="padding: 5px;">95 plus 85 or higher on capstone project</td> </tr> <tr> <td style="text-align: center; padding: 5px;">91-100</td> <td style="padding: 5px;">95 plus 90 or higher on capstone project</td> </tr> </tbody> </table>	Pre-assessment Baseline Score Range	Target Score on End-of-Year Portfolio	41-60	70	61-80	85	81-90	95 plus 85 or higher on capstone project	91-100	95 plus 90 or higher on capstone project	<p>Taking into account student's entry level of skill, all students will meet their target score on the final assessment:</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse;"> <thead> <tr style="background-color: #1a3d54; color: white;"> <th style="padding: 5px;">Pre-assessment Baseline Score Range</th> <th style="padding: 5px;">Target Score Range on Post Assessment</th> </tr> </thead> <tbody> <tr> <td style="text-align: center; padding: 5px;">41-60</td> <td style="padding: 5px;">70 or increase score by 15 points, whichever is greater</td> </tr> <tr> <td style="text-align: center; padding: 5px;">61-80</td> <td style="padding: 5px;">85 or increase score by 15 points, whichever is greater</td> </tr> <tr> <td style="text-align: center; padding: 5px;">81-90</td> <td style="padding: 5px;">95 or increase score by 7 points, whichever is greater, plus 85 or higher on capstone project</td> </tr> <tr> <td style="text-align: center; padding: 5px;">91-100</td> <td style="padding: 5px;">97 plus 90 or higher on capstone project</td> </tr> </tbody> </table>	Pre-assessment Baseline Score Range	Target Score Range on Post Assessment	41-60	70 or increase score by 15 points, whichever is greater	61-80	85 or increase score by 15 points, whichever is greater	81-90	95 or increase score by 7 points, whichever is greater, plus 85 or higher on capstone project	91-100	97 plus 90 or higher on capstone project
Pre-assessment Baseline Score Range	Target Score on End-of-Year Portfolio																				
41-60	70																				
61-80	85																				
81-90	95 plus 85 or higher on capstone project																				
91-100	95 plus 90 or higher on capstone project																				
Pre-assessment Baseline Score Range	Target Score Range on Post Assessment																				
41-60	70 or increase score by 15 points, whichever is greater																				
61-80	85 or increase score by 15 points, whichever is greater																				
81-90	95 or increase score by 7 points, whichever is greater, plus 85 or higher on capstone project																				
91-100	97 plus 90 or higher on capstone project																				

Target 5

Students will improve their performance by meeting the following growth targets using LinguaFolio Can-Do Assessments, supporting data, and final individualized performance assessments as sources of evidence.

Baseline Performance (based upon performance in Spanish I)	Growth Target (for Spanish II)
Novice Mid	Novice High
Novice High	Intermediate Low
Intermediate Low	Intermediate Mid

Target 6	Target 7
During the fall semester, 50 percent of the students will earn a National Physical Fitness award for their performance on the Physical Fitness test.	Students scoring 80 or lower on the pre-assessment will increase their scores on the similar post-assessment by at least 10 points. Any students scoring 81 or higher on the pre-assessment will maintain their scores.

Target 8

Each student will meet his or her target score on the post-assessment. Each target score range is based upon performance on the pre-assessment:

Pre-assessment Baseline Score Range	Target Score Range on Post Assessment
41-60	65-74
61-80	75-90
81-90	91-100
91-100	95 plus 85 or higher on capstone project
